“Mahavir Education Society strives to educate students to become Industry Ready Engineers having Professional Attitude and Groomed Personality.”

Mission

To provide well-defined system to ensure quality education by strengthening teaching learning processes.

To provide a platform where students are exposed to the industry, up bridged with the industry standards and requirements.

To train students by teaching them leadership and teamwork skills.

To groom students enriching their personality and social values

“Antrang-2024” unleashed the talents of students.

The Annual Social Gathering - Any college is marked by its great events, including its annual social gathering. Every year, the annual social gathering of 'MAHAVIR' has reached its highest level of success. Aiming even higher, this year we are back with 'ANTARANG-2024.' It was a Combined Annual Symposium of Mahavir Education Society's Mahavir Polytechnic, Sanghvi College of Engineering, and Mahavir Institute of D Pharm and B.Pharm College, organized at Guru Dakshina Hall, College Road, Nashik. It received a great response from our students. The event provided a big platform for students to showcase their art.

The program was attended by the Chief Guest, the Chairman of Our Mahavir Education Society Mr. Harish Sanghvi, Managing Trustee Mr. Rahul Sanghavi, The Trust Members. The Director of the society Dr. Priyanka Zawar, Principal Dr. Sambhaji Sagare, Principal Dr. Bajirao Shirole, Principal Dr. Anil Jadhav, and others who were present on the dais for the inauguration ceremony.

“Antrang-2024” unleashed the talents of students.

The Annual Social Gathering:

The program was attended by the Chief Guest, the Chairman of Our Mahavir Education Society Mr. Harish Sanghvi, Managing Trustee Mr. Rahul Sanghavi, The Trust Members. The Director of the society Dr. Priyanka Zawar, Principal Dr. Sambhaji Sagare, Principal Dr. Bajirao Shirole, Principal Dr. Anil Jadhav, and others who were present on the dais for the inauguration ceremony.

In this program, arts activities such as singing, music, drama, dance, and a fashion show were organized to provide scope for the talents of the students. It started with Saraswati Poojan by the dignitaries. Students and staff presented singing, drama, and dance performances. The Poly Electrical Group won the hearts of the audience by presenting an excellent drama on the farmer's life and his thoughts.

Traditional Day

'Mahavir's Vibrant Cultural Week & Day's Celebration

The celebration of cultural week at 'Mahavir' is always an exhilarating highlight for all students. The week-long festivities feature a variety of events such as Group Day, Mismatch Day, Traditional Day, Rose Day, Suit and Saree Day, and more. These events provide students with the opportunity to express their creativity through various themes, making each celebration unique and memorable. These cherished moments become lifelong memories for students, adding vibrancy and joy to their college experience.

Art Exhibition: Showcasing Talent & Creativity

An 'Art Exhibition' was organized during the cultural festival for the students, generating tremendous excitement among them as it provided a platform to showcase their talents. Open to both visitors and students of the campus, the exhibition featured works from various departments, including Painting, Calligraphy, Bottle Painting, Clay modeling, and other Craft works. Students poured their creativity into their pieces, each showcasing their unique style and skill. Visitors within the campus were treated to a diverse array of artworks, attracting admiration from all who attended. Students eagerly explained the concepts behind their creations and traced the evolution of their art to its final stage. The teachers were deeply impressed by the students' art and crafts, expressing their admiration and encouragement.

‘Marathi Language Glory Day’ Celebrated at ‘Mahavir’

A celebration of 'Marathi Language Glory Day' (Marathi Bhasha Gaurav Din) took place on February 27th at Mahavir Polytechnic. This day commemorates the birthday of Maharashtra's eminent poet Vishnu Vaman Shirwadkar, popularly known as "Kusumagraj," who dedicated himself to elevating Marathi to the status of a knowledge language. He was honored with the prestigious 'Dnyanpit' award for his contributions to Marathi literature, significantly enriching Maharashtra's cultural landscape and elevating Marathi poetry to new heights. Kusumagraj's relentless efforts towards establishing Marathi as a language of scholarship are commemorated every year on February 27th as 'Marathi Bhasha Gaurav Din' in Maharashtra.

To encourage greater use of Marathi in daily conversations, the Computer Engineering Department and library of Mahavir Polytechnic organized Marathi poetry readings and eulogies on the language's significance. Dr. Sambhaji Sagare, Principal of Mahavir Polytechnic, urged students to use Marathi extensively in public spaces, government and private sector applications, providing feedback and complaints in Marathi, promoting Marathi culture wherever possible, and engaging with Marathi literature and music. Faculty members, along with Head of Department Anup Sonawane, were present during the event to support the initiative.

Polytechnic Girls Shine at State-Level Basketball Tournament

Mahavir Polytechnic, Nashik, demonstrated its athletic prowess at the recent state-level Basketball tournament, 'E-Zonal', organized in Nashik by the Inter Engineering Diploma Students Association (IEDSSA) and sponsored by the Maharashtra State Board of Technical Education. Despite facing tough competition, the girls' team from Mahavir Polytechnic emerged as the runners-up in the tournament.

Under the expert guidance of coach Prof. Rajashree Wagh, the team exhibited exceptional skills and teamwork throughout the tournament. The participating students who contributed to this remarkable achievement included Darshana Chaurse, Rajashri Mahale,

Neelam Gaikwad, Seema Jadhav, Rupali Gavali, Darshana Bhondve, Chandrakala Kuwar, Chaitali Jadhav, Kirti Bagul, Tanuja Mondhe, Laxmi Ahire, Dhanashri More, Ashvini Pingle, and Khushi Jadhav. Mr. Harish Sanghavi, Chairman of Mahavir Education Society; Managing Trustee Rahul Sanghavi; Director of the Society, Dr. Priyanka Zawar; and Principal of Mahavir Polytechnic, Dr. Sambhaji Sagare, have extended their heartfelt congratulations to the victorious students.

Scholarship for 'Mahavir' Students by Pernod Ricard India Foundation

Financial assistance from the Pernod Ricard India Foundation and Youth Dreamer Foundation has been extended to 17 students of Mahavir Polytechnic, Sanghavi College of Engineering, and Mahavir Institute of Pharmacy.

The scholarship program, in collaboration with the Pernod Ricard India Foundation and Youth Dreamer Foundation, has been supporting economically disadvantaged students from Dindori Taluka for several years. Administered through Mahavir Polytechnic on Mhasrul-Varawandi Road, this initiative benefits many students from the Dindori Taluka region enrolled in the college. Eligible students, with family incomes below Rs. 2.5 lakh, receive scholarships based on their actual higher education expenses.

Mr. Raman Tekale, the project officer of the Youth Dreamer Foundation, encouraged the

students to pursue their higher education dreams by utilizing this scholarship opportunity. During the event, Principal Dr. Sambhaji Sagare and Project Officer Raman Tekale distributed scholarships to 17 students, including Aarti Bodke, Nikhil Shinde, Priyanka Vadge, and Sakshi Jadhav. Department heads Prof. Anup Sonawane, Prof. Bhamre, Prof. Yogesh Ahire, Gopal Ghuge, Devidas Khaire, along with other teaching and non-teaching staff, graced the occasion. A total of over Rs. 2,63,000 worth of scholarships were distributed among the students.

Mission

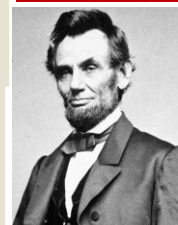

To provide well-defined system to ensure quality education by strengthening teaching learning processes.

To provide a platform where students are exposed to the industry, up bridged with the industry standards and requirements.

To train students by teaching them leadership and teamwork skills.

To groom students enriching their personality and social values

Words of Wisdom

“It's not the years in your life that count. It's the life in your years”

Dr. Bajirao Shirole has been appointed as the Principal of Sanghvi College of Engineering. With a PhD in Computer Engineering from Oriental University, Indore, and 18 years of educational experience, Dr. Shirole brings a wealth of knowledge and expertise to his new role. For the past 13 years, he has served as a senior professor in the Computer Engineering department of SCOE. Dr. Shirole is a prolific researcher, having published numerous national and international articles, and actively participates in various organizational activities. Recently, he was honored with the Adarsh Shikshak Award from Mahaveer International, Nashik, recognizing his contributions to education. The students and faculty of Sanghvi College of Engineering are poised to benefit from Dr. Shirole's leadership and experience. Shri. Harish Sanghavi, Chairman of Shree Mahavir Education Society, Executive Trustee Mr. Rahul Sanghavi, Director of Society Dr. Priyanka Zawar, Principal of Mahavir Polytechnic Dr. Sambhaji Sagare, Principal of Mahavir Institute of Pharmacy Dr. Anil Jadhav, Senior Professor Sanjay Bhamre, along with all Heads of Departments, teachers, and non-teaching staff, extend their heartfelt congratulations to Dr. Shirole on his new appointment.

Celebration of 'Marathi Language Glory Day' at SCOE

SCOE recently celebrated the birthday of Maharashtrian poet Vishnu Vaman Shirwadkar, also known as Kusumagraj, as 'Marathi Language Pride Day.' On this special occasion, Marathi book exhibitions were organized in the college library by the library department. The Principal of SCOE graced the inauguration of the book exhibition with her presence. Kusumagraj dedicated his life to promoting the Marathi language as a language of knowledge. His literary contributions earned him the prestigious 'Dnyanpeeth' Award.

Through his work, Kusumagraj elevated Marathi poetry to new heights and made significant contributions to the cultural landscape of Maharashtra. During the event, the Principal emphasized the importance of being proud of the Marathi language and encouraged everyone to contribute towards enriching and cultivating it further. Dr. Vaishali Patil, the Librarian of SCOE, played a pivotal role in ensuring the success of the program through her dedicated efforts.

SCOE Initiated 'Mera Pahla Vote Desh ke Liye' Campaign

In alignment with the directives of the Ministry of Education (MoE) and the Ministry of Youth Affairs, Sanghavi College of Engineering, Nashik, has initiated the "Mera Pahla Vote Desh ke Liye" campaign from February 28th to March 6th, 2024. The campaign aims to instill a sense of civic responsibility and encourage students to actively participate in the electoral process.

As per the guidelines provided by the Ministry of Education, various activities have been meticulously designed in collaboration with the Election Commission of India to promote Electoral Literacy among the youth. Students at Sanghavi College of Engineering have taken an oath to uphold their voting rights and fulfill their duty towards the nation. Additionally, an essay competition was organized at the college to raise awareness about the importance of voting among the youth. Furthermore, a rally was organized to galvanize students and amplify the message of electoral participation. The "Mera Pahla Vote Desh ke Liye" campaign at Sanghavi College of Engineering signifies a collective effort towards nurturing a politically aware and responsible citizenry, contributing to the strengthening of democratic values and principles in the nation.

Exploring Culture and Adventure: MIP Organised Academic Tour to Shimla & Amritsar

Mahavir Institute of Pharmacy, Nashik, organized an enriching academic tour for third-year and final-year B. Pharmacy students, along with second-year Diploma Pharmacy students. The tour spanned across picturesque locations including Shimla, Kufri, Manali, and Amritsar, offering students a blend of educational exploration and cultural immersion. During the tour, students had the opportunity to delve into the rich cultural heritage of the region. One of the highlights was the visit to the Hidimba Devi Temple at Manali, where students witnessed the architectural marvels and learned about the historical significance of the temple. In addition to academic enrichment, the tour also provided ample opportunities for students to engage in adventurous activities and recreational events. Students participated in exhilarating activities such as paragliding, river rafting, ice skating, and enjoyed a lively DJ night, creating unforgettable memories and fostering camaraderie among peers. The tour was meticulously coordinated by Dr. Atul Bendale, Dr. Vasim Pathan, Jayshree Khemnar, Namrata Revar, and Manoj Somvanshi, who ensured a seamless experience for all participants. Their efforts, combined with the enthusiasm of the students, contributed to making the tour a resounding success.

Words of Wisdom

“However difficult life may seem, there is always something you can do and succeed at!”

Industrial Visit to Blue Cross Laboratory by MIP

Mahavir Institute of Pharmacy organized a significant industrial visit to Blue Cross Laboratory in Nashik for the benefit of first and second-year D. Pharmacy students. The primary objective of this visit was to provide students with practical exposure to the manufacturing processes involved in solid and liquid dosage forms. The visit was coordinated by Prof. Prajakta Khanale, Kajal Khurdal, Shivani Chavan, and Kumud Ahirrao, who ensured smooth execution and maximum learning outcomes for the students.

During the visit, the students had the privilege of interacting with Mr. Prathamesh Kulkarni, the representative from Blue Cross Laboratory. Mr. Kulkarni provided comprehensive insights into the manufacturing processes employed by the company. He elaborated on various aspects of the production line, including formulation, blending, compression, encapsulation, and packaging, thereby offering students a holistic understanding of pharmaceutical manufacturing. Through guided tours and detailed explanations, students gained valuable knowledge about Good Manufacturing Practices (GMP), quality control measures, and regulatory compliance in the pharmaceutical industry. They also had the opportunity to witness state-of-the-art facilities and equipment used in the production of pharmaceutical formulations. The industrial visit provided the students with invaluable insights into real-world pharmaceutical manufacturing processes, enhancing their academic and professional development.

Field Visit to Shree Datta Green Plus Pharmacy by MIP

Mahavir institute of Pharmacy organized a field visit to Shree Datta Green Plus Pharmacy for D.Pharmacy students. The visit aimed to offer students practical insights into pharmacy operations and bridge the gap between theoretical knowledge and real-world application. The visit commenced with a warm welcome from the staff at Shree Datta Green Plus Pharmacy. Prof. Shivani Chavan and Prajakta Khanale, the coordinators of the visit, ensured the smooth execution of the program. During the visit, students actively participated in various activities designed to enhance their understanding of pharmacy operations. They were provided with hands-on experience in dispensing medicines, learning proper procedures and techniques. Moreover, students received valuable lessons on managing expired medicines, emphasizing the importance of inventory management and

-patient safety. A highlight of the visit was the patient counseling sessions, where students honed their communication skills and learned to provide guidance to patients regarding medication usage and potential side effects. The representative from Green Plus Pharmacy delivered insightful presentations, enriching the students' understanding of the pharmaceutical domain. The field visit proved to be an enriching experience for all participants, offering them practical exposure to pharmacy operations and reinforcing classroom learning. It provided students with valuable insights into the intricacies of the pharmaceutical industry and equipped them with essential skills for their future careers.
