

Visit 2024-2025 (Odd Sem)

Sr.No	Name of Industry/Contact Details	Semester	Course Name	Event Coordinator	Date of conduction of activity
1	Visit To Water treatment plant at Nilgiri Baugh ,Bidi kamgar nagar , Nashik	V	Public Health Engineering	Ms.M.K.Bagul	03-09-2024
2	A Visit to RCC Construction site at Imperial Tower Amrutdham , Nashik	V	Design Of Steel & RCC Structures	Mr.R.D.Vadje	17-10-2024
3	Visit To RMC Plant Berk Cemex Pvt. Ltd.	III	Concrete Technology	Ms.P.D.Mhaske	21-10-2024

Visit Report for the year of 2024-2025(Odd Sem)

Public Health Engineering Visit

Mahavir polytechnic Civil engineering department had organized visit at **WTP Nilgiri Baugh Tapovan, Nashik.** for Third Year Civil Engineering Students. Under the Course of PHE (22504) on 03rd September 2024. The visit focused on examining the water supply systems, sewage management, and sanitation facilities. Visit was well organised by Ms.M.K.Bagul. Under the guidance of HOD Mr.S.P.Deore.

Design of Steel & RCC Structures Visit

Mahavir polytechnic had organized the visit at Imperial Tower at Amrutdham for third Year Civil Engineering Students on 17th October 2024 .The Objective behind this The visit provided students with practical insights into the application of structural design concepts. Students had the opportunity to observe the construction techniques and materials used in the building's steel and RCC framework.

RMC Plant Visit

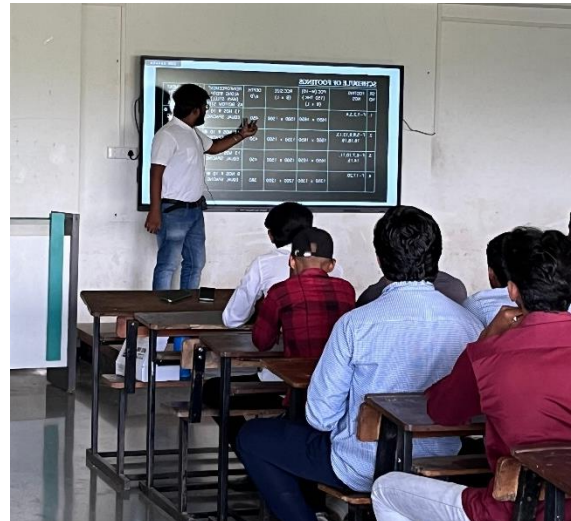

Department of Civil Engineering organised an Industrial Visit for Second Year students at ,Nashik. On 21th October 2024. Under the Course of CTE (313322). The visit was well organised by Ms.P.D.Mhaske. Under the guidance of HOD Mr.S.P.Deore sir.

Guest Lectures 2024-2025(Odd Sem)

Sr.No	Name of Expert	Topic	Name of Coordinator	Date of conducti on of activity
1	Mr. Aniket Agrawal, Founder of Grow High Engineers, Nashik.	Skill Required to Become a Confident Civil Engineer	Ms.Ujwala B.Deshmankar	13-09-2024
2	Er. Sangram S. Katare. s Project manager, Perfect Buildcon, Nashik.	Inspirational Speech – “Building Your Career: Opportunities in Construction” Under Entrepreneurship development.	Ms.Ujwala B.Deshsmankar	18-09-2024
3	Mr. Kamlesh H. Single (Health Coordinator At MCGM , Mumbai)	Alumni Guest Lecture on "Real-Life Health Challenges and Solutions"	Ms.Ujwala B.Deshmankar	19-09-2024

Guest Lecture of the year of 2024-2025(Odd Sem)

Guest Lecture on “Skill Required to Become a Confident Civil Engineer”

The Department of Civil Engineering has organized a session on “**Skill Required to Become a Confident Civil Engineer**” for Students of Second & Third Year. Resource person Mr.Aniket Agrwal .The lecture encouraged students to continuously develop skills through practical experience, internships, and ongoing learning to excel in the ever-evolving field of civil engineering. For this Programme the programme has well organized by Guest Lecture Coordinator Ms.Ujwala B.Deshmankar under the guidance of HOD Mr.S.P.Deore sir & Respected Principal Dr.S.V.Sagare

Inspirational Speech –“Building Your Career: Opportunities in Construction” Under Entrepreneurship development.

The Department of Civil Engineering has organized a Inspirational Speech On "**Building Your Career: Opportunities in Construction Under Entrepreneurship development**" for First year of Civil Engineering students. For this Programme Resource Person was Er. Sangram S. Katare. (Project manager, Perfect Buildcon, Nashik). the session aimed to inspire students to explore career opportunities within the construction industry. The speaker shared valuable insights on how the construction sector offers diverse entrepreneurial avenues, from project management to sustainable building practices. Emphasizing the growing demand for skilled professionals, the lecture highlighted the importance of innovation, leadership, and adaptability in the industry. The programme was well organized by Ms.U B.Deshmankar with All Civil Department Staff's under the guidance of Respected HOD Prof.S.P.Deore & Respected Principal Dr.S.V.Sagare.

Alumni Guest Lecture on “Real-Life Health Challenges and Solutions”

On 19th September 2024, the Department of Civil Engineering organized an insightful Expert Session on the topic "**Real-Life Health Challenges and Solutions**" for the First-Year Civil Engineering students. The session was designed to raise awareness among the students about the critical health issues faced in urban environments, particularly in cities like Mumbai. The resource person for the event was Mr. Kamlesh H. Single, a renowned Health Coordinator at the Municipal Corporation of Greater Mumbai (MCGM). This session was an enriching experience for the students, as it highlighted the importance of health and safety in civil engineering projects and inspired them to consider the broader impact of their work on public health and urban sustainability. The programme was well organized by Ms.U B.Deshmankar under the guidance of Respected HOD Prof.S.P.Deore & Respected Principal Dr.S.V.Sagare.
